### A Bountiful Harvest

Farms, vineyards and orchards make up some of the most beautiful, abundant countryside in America. A unique program called Harvest Hosts allows members to enjoy these scenic locales coast to coast with free overnight dry camping. For \$40 per year, members have access to a network of some of the country's most picturesque areas, which you can enjoy from the comforts and luxuries of your American Coach.

When you become a member of Harvest Hosts, you gain immediate access to an online directory that's continually updated with new locales where you can stay overnight as well as purchase locally grown products. It's a feast for the eyes and the taste buds.

Visit [harvesthosts.com](http://harvesthosts.com) and discover an entirely unique experience in camping.
